Weather Policy

If there is a snowstorm or we experience other extreme weather conditions throughout the year and WDM schools are cancelled or dismiss early 'Friends in Faith' will not be held.

If inclement weather develops during our Wednesday activities, we will make the judgment to continue 'Friends' or call parents if the weather continues to worsen. On these 'bad' weather days please pick your children up as soon as possible. We will stay with your children until you are able to get to the church.

The church has a weather radio in each building to monitor any threatening weather conditions and 'safe' places to go in an emergency. You can check with the church office at any time to get information. 223-1639
